

Regulation

1) Framework

Interferências is a platform that supports artistic performances and a new space for dialogue, reflection and presentation of performances at Palácio Pancas Palha, with the following premises:

- a) Promote all kind of artistic intervention, privileging the idea of Interference in the relation with the landscape of Palácio Pancas Palha, opening studios, corners and gardens to artistic residences and presentations;
- b) To give artists visibility, stimulating their career and encouraging them with professional and financial support;
- c) Promote the circulation of performances, and the dialogue between artists, programmers and audience;
- d) Expand the map of non conventional spaces like Palácio Pancas Palha, work space of Companhia Olga Roriz;

2. Conditions:

- a) 1000€ of financial support per project;
- b) Eight (8) Projects will be selected;
- c) Production Support during residences and performances;
- d) Technical Support during residences and performances;

- e) Support and promote the residences and performances;
- f) The selected space for residence and performance will be distributed by the director of Interferências.

3. Applications Requirements

The candidates should send their proposals for interferencias2023@gmail.com, in a document (pdf), with the following information:

- a) Candidates identification (e-mail address and phone number);
- b) Project title;
- c) Motivation letter
- d) Synopsis (texts, images, sketches);
- e) Photos of the selected space;
- f) Bios of all the participants;
- g) Technical Requirements;
- h) Scheduling of the rehearsals (proposal; morning, evening, night).

4. Selection

- a) Eight (8) projects will be selected. Interferências can change the quantity of the selected projects accordingly to the number and quality of the received applications;
- b) The proximity and permeability of the projects in relation with Palácio Pancas Palha is a determinant criteria for the deliberation;
- c) First works will be privileged;
- d) The simplicity of the technical requirements in relation to Palácio Pancas Palha is also a criteria of the decision;
- e) The final decisions will be made by the jury of Interferências, constituted by Olga Roriz, António Quadros Ferro, Bruno Alexandre plus two invited guests.

f) The results will be announced in www.interferenciascor.com on 6th of June 2023.

5. General rules

a) Interferências has the right to decide about the final distribution of the selected projects

b) Interferências has the right to decide the number of presentations per participant (at a maximum of three)

c) Interferências assures the confidentiality of each participant and any data exchanged with Interferências

d) Interferências is not responsible due to authors rights violations (give examples; music; vídeo).

e) Participation in Interferências is subjecto to accept of this regulation and the signing of a term of responsibility regarding the use of the presentation spaces.
